Work Proposal	
<b>English title:</b>	<b>Health Informatics - Automatic identification and data capture marking and labelling - Patient and caregiver Identification</b>
<b>Scope of proposed work:</b>	Understand and define unique Patient and Caregiver identifications
<b>1. Market purpose(s) and justification:</b>	The care delivery process involves a series of Automatic Identification and Data Capture (AIDC) mechanisms to uniquely identify the patient, the care giver and the healthcare product(s) at the delivery of care to assure patient safety. Global standards are being created for the uniform AIDC marking and labeling of healthcare products. The objective of this work group is to complete the standards for identification and marking/labeling for the patient and care giver to enable AIDC applications for the care delivery process as well as unique patient identification for other purposes, such as Individual Electronic Health Records (IEHR).
<b>2. Problem(s) to be solved by JIC-facilitated work:</b>	Gather patient and care giver identification requirements Perform a gap analysis against the current GS1 System Standards Recommend a uniform identification solution Recommend a uniform AIDC marking/labeling solution Develop any necessary enhancements to the GS1 General Specifications Provide implementation recommendations to the GS1 Healthcare Leadership Team
<b>3. Does work concern known patented items:</b>	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> If "Yes", provide full information as Annex
<b>4. Does work concern processes and procedures for which charges apply:</b>	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> If "Yes", provide full information as Annex
<b>5. Proposed lead SDO:</b>	CDISC <input type="checkbox"/> CEN TC251 <input type="checkbox"/> GS1 <input checked="" type="checkbox"/> HL7 <input type="checkbox"/> IHTSDO <input type="checkbox"/> ISO TC215 <input type="checkbox"/> Other <input type="checkbox"/> (please specify)
<b>6. Participating SDO(s):</b>	CDISC <input type="checkbox"/> CEN TC251 <input type="checkbox"/> GS1 <input checked="" type="checkbox"/> HL7 <input type="checkbox"/> IHTSDO <input type="checkbox"/> ISO TC215 <input checked="" type="checkbox"/> Other <input type="checkbox"/> (please specify)
<b>7. Relationship of work to activities of other organizations, national or international work:</b>	
<b>8. Relevant materials and documents to be considered:</b>	GS1 General Specifications, version 10; GS1 Call To Action for Patient ID and Caregiver ID.
<b>9. Work dependencies (e.g. other documents/standards):</b>	
<b>10. Proposed Work Leader (include full contact information):</b>	Christian Hay / Prof. Christian Lovis
<b>11. Target date for task completion:</b>	2012-01-01
<b>12. Is the work likely to result in a project, led by a single SDO, to produce a document for 'Fast-Track' ballot in CEN and/or ISO:</b>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> If "Yes", provide more information as Annex
<b>13. In what type publication is any follow-on project likely to result (indicate just one of the following)</b>	Normative (Standard) <input checked="" type="checkbox"/> Informative Specification (Trial use) <input type="checkbox"/> Technical Report (Guide) <input type="checkbox"/> Other <input type="checkbox"/> (please specify)
<b>14. Expected primary publishing SDO:</b>	CDISC <input type="checkbox"/> CEN TC251 <input type="checkbox"/> GS1 <input checked="" type="checkbox"/> HL7 <input type="checkbox"/> IHTSDO <input type="checkbox"/> ISO TC215 <input type="checkbox"/> Other <input type="checkbox"/> (please specify)

15. <b>Expected secondary publishing SDO(s):</b>	CDISC <input type="checkbox"/>	CEN TC251 <input type="checkbox"/>	GS1 <input type="checkbox"/>	HL7 <input type="checkbox"/>	IHTSDO <input type="checkbox"/>	ISO TC215 <input type="checkbox"/>
	Other <input type="checkbox"/>	<i>(please specify)</i>				
16. <b>Target date for publication: 2012-01-01</b>						
17. <b>Proposed development duration:</b>	12 months <input checked="" type="checkbox"/>	24 months <input type="checkbox"/>	36 months <input type="checkbox"/>	48 months <input type="checkbox"/>		
18. <b>Proposed development stage dates:</b>						
Project proposal (e.g. <a href="#">ISO Form 4</a> ) for use in interested SDOs				date:	2010-04-01	
Outline document available in interested SDOs				date:	2010-12-31	
Draft standard/specification for trial use available in interested SDOs				date:		
Full standard/specification available in interested SDOs				date:	2011-06-30
